 HSE Academy & Consulting

Drawing on **AUTOVICTOR**'s many years of experience in training and safety, **AUTOVICTOR HSE ACADEMY & CONSULTING** was established as a dedicated business unit offering companies both a **Training School** and a comprehensive 360-degree **Consulting Service** in the fields of **occupational health, workplace safety, and environmental management**.

AUTOVICTOR HSE ACADEMY & CONSULTING relies on a team of experienced and highly qualified professionals capable of delivering tailored services designed to meet the specific needs of each individual client. Training courses can be conducted directly at the customer's premises or within dedicated training facilities available at the company's headquarters.
